

Carbon Monoxide kills!

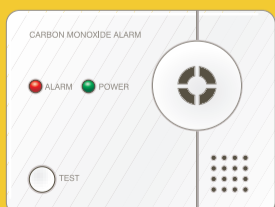

Take a portable Carbon Monoxide Alarm with you on holiday

Carbon Monoxide (CO) is a colourless, odourless, highly poisonous gas that can kill in minutes.

Carbon Monoxide poisoning can be caused by appliances that aren't properly maintained.

Watch out for the symptoms – • Mild headache • Dizziness
• Nausea • Vomiting • Fatigue • Drowsiness •

Buy a CO alarm for your family and protect them from the danger of poisoning. It only costs around £25. It must be approved to EN50291 standard. Details of your nearest supplier on 0800 1694 457.

CO-Awareness supports victims, their families and friends poisoned by Carbon Monoxide (CO) while trying to raise awareness among health professionals and the general public, of the dangers of CO.
